★前巻までのあらすじ★

教師・藤沢真吾として一年間を過ごすことになった元傭兵の殺し屋・ジーザス。

サバイバルの条件は、平凡な教師として目立たぬこと。だが、教え子・戸川誠治は、教師・信吾の姿に疑問と憎しみを抱き、強さの秘密を暴こうと、しつようにつきまとう。

その誠治が、ナゾの武闘集団の実戦訓練に巻き込まれ、その一員・カズマを傷つけてしまう。

偶然の対決から、争いは思わぬ方向に進展。武闘集団の正体は、組織により〝暗殺者〟として養成された少年たちであった。

そして今、誠治の参加した空手試合会場を舞台に、ジーザスをはじめ暗殺プロたちの凄絶な死闘が…!?

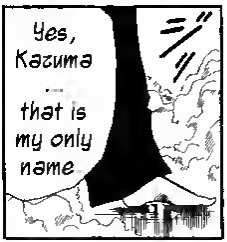
JESUS
Lesson1
Call the police at once! Some sort of gang...
No, they must be terrorists!
My son is still in there!!
Let me through!
Seiji ... he's still inside!

What?
My parents abandoned me before I could even remember their faces.
Your warm, cozy upbringing has worn your fangs down to nothing!

I'll pay back what you did to me, Kazuma... with interest!



Yes, Kazuma... that is my only name.

Lesson 1
An Even More Dangerous Game ④

I!
Shall!
CRUSH
!!
Whatever
I grasp in
my Fist!
Fuck...
already
at my
limit...

Dress it up all you want, but in the end, you're just a low-down punk who gets off on causing pain!
キャ
As you wish it, Togawa, I will kill you!

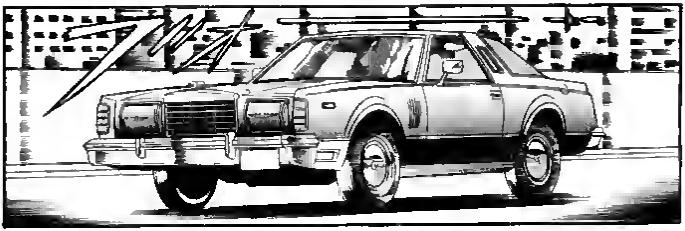
To-ga-wa-kun!
What are you doing ?!
Let go of me!

S-stop ... don't you lay a finger ... on Yukiko ...
Oh, so this is your woman? Hehe heh...
I told you what happens to everything I grasp, remember?
Sto ooo ooo op!

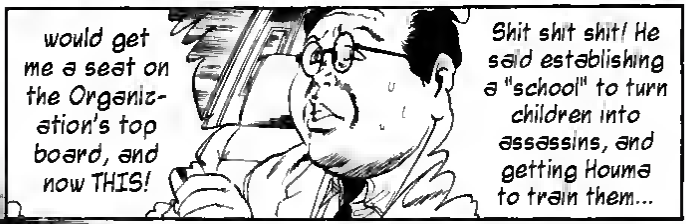
ごおおおお
ブゥ
Now, right before your eyes, I'll--

He... he completely killed my attack's momentum ...!
What ?!

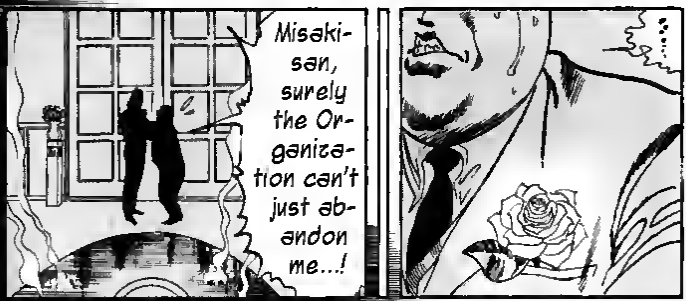
In that moment, I felt certain I'd seen something...
Something black and hot, come to drag me into the depths...
This can't be...
I am ...
But I wasn't the only one...



WEST



would get me a seat on the Organization's top board, and now THIS!
Shit shit shit! He said establishing a "school" to turn children into assassins, and getting Houma to train them...



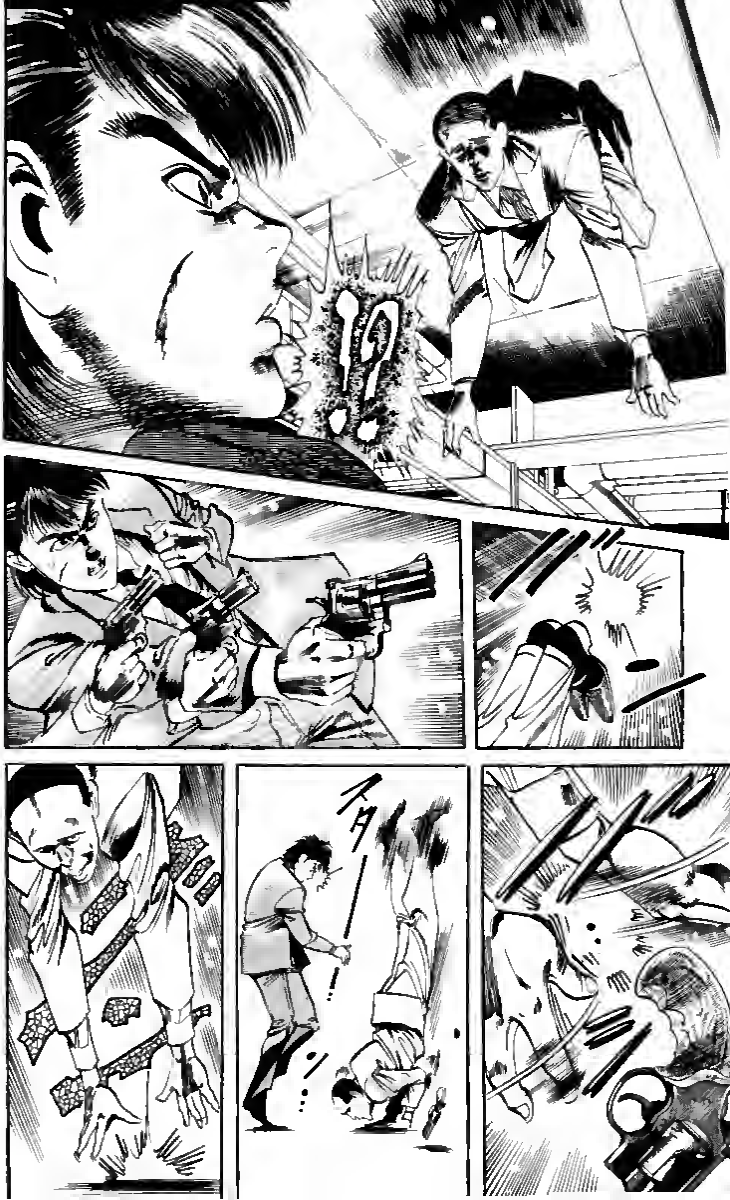
Misaki-san, surely the Organization can't just abandon me...!

ooo
There's a getaway car waiting just out back. Take it and drive west.
Who said anything about abandonment?

Th-thank you! I'm in your debt!
An Organization operative will be watching for this mark and contact you.
...an eternal one..
Don't mention it. Think of this as a sort of vacation
Well, just you watch, I won't let this be the end of me ...!
God damn that Misaki! Who does he think he is, looking down on me like that?!

...
You're Houma Ryousuke, the terrorist instructor?
That's right ...
So you're the one they call Jesus. I guess this means the sniper's floating in Tokyo Bay right now?
But then there's the matter of that kid you jumped in to save a little while ago...

"Shidan" (lit. "finger bullet"), one of kenpou's secret techniques. flicking a small metal ball (like a ball bearing) at one's opponent with the fingernail.



!?
ダダーン!!

Guh ... Houma ...
ズ"
Jesus! I'll decorate the ending of my festival of slaughter with your blood!
